

Dear DMTA teachers,

It's time to provide you with specifics about the Local auditions coming up in February. Just as a reminder, these auditions are for your more advanced students. Students perform to compete with others to possibly move on to the Regional and State levels. We are allowing 2nd and 3rd graders to play just for the experience of performing, but they will not be able to compete by going to Regional or State Auditions.

This year the auditions will be VIRTUAL!!

Registrations for both the Auditions and the Theory Test are on the GMTA website:
