

2022 DMTA FALL FESTIVAL

DMTA's Fall Festival is for every student regardless of age, level, ability, or attainment, who needs positive recognition for his/her involvement with music and music lessons. It is for the student who is not ready to meet the demands of a recital or competitive audition, as well as for the student who needs that "one more" experience before an important recital or audition. Fall Festival is open to all students who are presently studying any instrument with a member teacher.

GENERAL INFORMATION

This year students have the option to attend in person or to participate virtually by sending their performance as a video submission, see instructions below.

As per Agnes Scott College requirements, any visitors to Presser Hall must be fully vaccinated along with mandatory mask wearing. This includes students, family members and volunteers.

In the past, participants have performed for the judge without an audience, but this year we are exploring the possibility of having an audience present for some students who prefer this option.

Performance Categories, Scales, and Optional Sight Reading: Students may enter one or more of the three performance categories: Solo, Composition, and Duet. Auditions also include performance of scales/cadences and optional sight reading. See *Student Performance Requirements* section below for details.

Registration: Teachers are responsible for registering students either online or by mail. Teachers will collect payment and send one check to the Fall Festival Chairperson by the **registration postmark deadline of Saturday, October 15, 2022**. See *Registration Instructions* section below for details.

Teacher Volunteer Requirements: All teachers whose students enter the Fall Music Festival are required to work at the Festival. Teachers may indicate a preferred time on the Teacher Form.

Student Performance Schedule: Teachers will be notified of the performance schedule for their students by e-mail, and it will be the teacher's responsibility to notify each student of his/her scheduled times. Students should check in at least 20 minutes before their scheduled audition time.

Musical Score Requirements: For solos and duets, students must provide original scores (not photocopies) with every number measured to facilitate the judge's comments. These scores are in addition to any scores used by the student for performance. No photocopied music will be allowed in the performance room unless accompanied by written permission from the publisher.

Scores for student compositions must be hand-written or computer-generated with programs such as Finale or Sibelius. If the student uses the music to perform, make a copy for the judge.

Memorization Policy for Solos: All solos must be memorized. If they are not memorized, the teacher/student may choose to receive one rating lower than the performance level, or may choose to receive comments only with no rating. The student is responsible for specifying his/her choice on the day of the Fall Festival.

Certificates, Ratings, and Comment Sheets: Each student will receive a certificate for each category entered, with a rating of Superior, Excellent, Good, or Fair. Each participant will also receive a detailed comment sheet.

Students should not take the comment sheets home. Students may read them but should leave them at the checkout table to be filed in their teacher's folder. The teacher should get the folder at the end of the day.

Musical Artistry Awards: Three students (one selected by each judge) will receive a cash award for outstanding musical artistry.

Special Needs: If a teacher has a special learner or has special information for the evaluator, this information should be given at the check-in table and it will be passed to the proper person.
